Jeddah, Saudi Arabia +966 50 435 0092 meezoo1988@gmail.com linkedin.com/in/mazen-alarabi-467979131 meezoo1988-ctrl.github.io

PROFESSIONAL SUMMARY

IT Support Specialist with 14+ years of experience in help desk operations, end-user support and system administration. Currently supporting users and branches at Al Jomaih Automotive Company through a ticketing system, covering Windows 10/11, Microsoft 365, Active Directory, printers and network connectivity. Background in servers, switches and databases, with a B.Sc. in Information Technology from King Abdulaziz University. Focused on fast, well-documented resolutions that keep business operations running.

WORK EXPERIENCE

Helpdesk Support Administrator Jan 2018 – Present

Al Jomaih Automotive Company · Jeddah

- Manage and resolve support requests through the ticketing system, from intake and prioritization to closure.
- Support end users across departments and branches on Windows 10/11, Microsoft 365, user accounts and Active Directory.
- Contributed to upgrading company devices to Windows 11, using PDQ Deploy to reduce manual installation work.
- Troubleshoot Canon printers, uniFLOW cloud printing and network connectivity issues to keep branches operational.
- Perform routine maintenance and hardware troubleshooting for end-user equipment.

Helpdesk Agent Aug 2017 – Sep 2017

Almajal Service Master (Logic System)

- Handled user support tickets and provided first-line technical support.
- Carried out equipment and system maintenance.

System Administrator Aug 2011 – Aug 2017

Advanced Vision Co.

- Administered the company network, including servers, switches and structured cabling.
- Diagnosed and resolved hardware, software and network faults.
- Supported internal applications and performed database administration tasks.
